## Product highlights

### 24 carat gold-plated connector

24 carat gold-plated connectors ensure the best signal quality for your components.

### Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

### Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

### Braided shielding

Copper braided reinforced aluminum shielding protects against signal loss and interference.

### Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

### Plug and play

Plug and play offers easy installation of components without time-consuming installations.

### Metal shell

The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.
